GET THE T.E.C.H. YOU NEED TO SUCCEED!

Goodwill Central Texas is dedicated to supporting digital inclusion through Tools for Equity, Connectivity, and Hope (T.E.C.H.).

In today's world, basic computer knowledge and access to the internet are absolute necessities.
To further our commitment to digital equity for all, we are now offering:

- Free device distribution for those who qualify
- Access to laptops and hotspots including internet service
- The opportunity to build digital skills

Digital Skill-Building Classes:

- Computer Basics
- Online Job Search Prep
- Accessing Online Public Resources and Online Safety
- Chat GPT (AI)/Advanced Computer Skills

Requirements:

- Complete enrollment with our Lead Digital Navigator.
- Take any necessary digital skill-building classes.

Continued learning support is offered through Goodwill's Career Advancement Team.
